

WCA 75th Anniversary History Book

Inventory of desired photos

Background: Given our ability to scan photos and use desktop publishing to format them, we aspire to include literally hundreds of photos in our book. Following is an inventory of shots we desire to obtain. Of course, we are open to your personal "gems" and will entertain including whatever you are included to contribute. All photos from 1936 - 2011 are appreciated!

Submission: Photos can be mailed or emailed. Ideally, each would include the names of the featured individuals, year, and the occasion. All mailed photos will be returned to the owner.

Email: Scanned and digital photos should be sent to sweetbriar4@yahoo.com

Mail: Postal delivery should be to Scott Boone, 7428 Sweetbriar Road, West Bloomfield, MI 48324

Questions: Direct to Scott Boone at 248-462-1807 (cell)

Directions: Please ask anyone you contact or interview if they have photos. If so, you can email this list or, if they know of specific shots to contribute, document in the right hand column what they hope to send us.
